## Description

London has this autumn a major exhibition of recent discoveries in China. You can see there some of the highest artistic achievements of her long civilisation: beautiful things, of a rare sophistication, impeccably displayed,  
We thought that visitors to Pollock's might enjoy as a contrast, and on our tiny scale, a taste of a different Chinese dush, incomparably more mundane but with its own piquancy.

## Basic data

Material/Technique:

Measurements: 27 p., 34 tétel
